HOW OUR SHARPENING PROCESS WORKS

1. SELECT YOUR DESIRED SERVICE AND ORDER ONLINE

Please go to our services section and select a sharpening service. This will navigate you straight to each individual service product. Please follow the instructions and select any options that are applicable and proceed to complete and pay for your order.

2. PACKAGE YOUR BLADES AND INFORMATION

Please include the following inside your package:

The blades you have paid to have sharpened. Please ensure all knives are fully wrapped with cloth to ensure safety and any resulting injury during transit.

Your contact details such name, address, email and telephone number. Plus, your order number which will be on your order email after successful payment.

When packing your blades, please ensure that you securely fasten them to a piece of cardboard, inside a well padded jiffy envelope or box. This will dramatically reduce the risk of breakages or injury whilst in transit. Please write your return address on the outside of the parcel. Please also ensure to photograph your knives prior to packaging and once fully secured/wrapped with cloth to ensure safety during transit.

3. SEND YOUR PARCEL TO US

When shipping your blades to us, we always recommend using a Royal Mail tracked and/or signed for this service. This way, you can keep track of your shipment and be positive of a safe arrival to us. Our address is as follows: **We Sharpen 4U, 7 Rosemary way, Nuneaton, Warwickshire, CV10 7ST.**

PLEASE NOTE: Postage is not pre-paid. Please print and cut-out this address label and stick to your package/box before sending via the Post Office. Only **RETURN** postage from We Sharpen 4U is free.
